Students may waive out of the required insurance if the students’ alternate health insurance policy meets or exceeds all of the requirements listed in the University’s International Student Insurance Plan brochure under the Schedule of Benefits and Limits as generally outlined below and is verified by the insurance provider:

1. Coverage for medical expenses incurred outside your home country must have an unlimited policy year maximum.
2. 100% coverage.
3. Co-pay no greater than $15 USD for doctor office visits.
4. The plan must be provided by a company licensed to do business in the United States with (a) a U.S. claim payment office, (b) a U.S. telephone number, and (c) plan literature available in English.
5. Co-pay not to exceed $50.00 USD for hospital services.
6. Expenses incurred as a result of pregnancy are treated to the same extent as any other sickness.
7. Insurance will provide unlimited coverage for emergency medical evacuation and repatriation of remains.
8. Insurance will provide accidental death benefit to $10,000.00 USD.

11. Coverage must be purchased for the entire year enrolled and must be “non-cancelable” - not subject to cancellation.
12. Plan must provide no limitations on pre-existing conditions.

The insurance provider will provide to UWA's International Programs a letter on company letterhead written in English, that identifies the student requesting the waiver as a covered individual, provides the start and end dates of continuing coverage that is paid in full and is non-cancelable, clearly indicates that the coverage meets or exceeds the minimum requirements, including coverage amounts in US dollars. The provider must also provide a copy of the student’s policy with a summary of benefits.
