EXECUTIVE SUMMARY

The Planning Document includes the following reports: Self Study (October 1, 2007 – September 30, 2008); Statement of Achievement; Annual Assessment Plan; Resources Required for Plans (One-Year Plans); Medium-Range Plans: Years Two and Three; Resources Required for Plans (Two-Year Plans; and Resources Required for Plans (Three-Year Plans).

The Annual Assessment Plan for 2007-2008 included forth-four objectives that the staff had identified. Eighteen of the objectives were completely met and substantial progress was made in reaching the other twenty-six objectives. These objectives have been included in the 2008-2009 Planning Document.

The final part of the plan includes short- range and long-range plans for meeting Library objectives. The amount of funds needed for meeting specific goals is shown for each year included in the plan.
