Military Connect

EARN A DEGREE ONLINE!

SCHOLARSHIPS!

DISCOUNTED TUITION EQUALS:

GRADUATE- $329/hr  UNDERGRADUATE- $250/hr

It is easy to participate in Military Connect
Simply follow these steps:

1. Apply to UWA and be accepted into UWA.

2. Review the Connect Calendar to make sure you understand all scholarship deadlines. Connect programs have special registration deadlines that are earlier than regular deadlines. You must register by the early Connect deadline in order to allow UWA sufficient time to process your scholarship.

3. Once you receive notification from UWA that you have been accepted into the University, register for classes. You must register for class before requesting a scholarship because the scholarship amount is based on the number of hours you take. Your acceptance letter will include instructions on obtaining a username and password that you will use to register for class.

4. Verify that your registration processed correctly by checking your courses on WebAdvisor. Then, request a Connect Scholarship by completing the Scholarship Request for online. You will be asked to submit a copy of your Military ID and driver’s license during the application process.

5. Repeat step #4 every term.
