The date, student number, and address will automatically populate.

In this table, you will need to indicate your Primary Degree Program and Additional Certification Areas. Note, the Primary Degree Program is what will be listed on your diploma. The certification areas will be on your ALSDE issued certificate, only.

Type your name in this box as your signature.

Click Submit.

UNDERGRADUATE AREA OF SPECIALIZATION DECLARATION

College of Education, The University of West Alabama

FAX : 205-652-3706
EMAIL: certification@uwa.edu

In signing this form you understand that choosing an area of specialization will allow to have a primary degree and one or two areas of certification. The primary degree will be the only field to appear on your diploma. The official transcripts will list your degree with your chosen area(s) of certification. While the certification areas will not be listed as a degree, you will be eligible to obtain certification in all areas listed below.
