

Leading & Teaching with Insight

SPONSORED BY

A Data-Informed Leadership Cohort for Alabama K–5 Principals and Lead Teachers

An 8-Month (Oct–May) hybrid learning experience designed for **principals** to drive continuous school improvement through real-time classroom insights and collaborative leadership and for **teachers** to use cutting edge technology to collect and interpret classroom data, apply evidence-based strategies, and track student growth in ELA and math.

Why Participate?

- ✓ Expert-led sessions aligned to Alabama's Instructional Leadership & Learning Standards
- ✓ Job-embedded practice with your lead teachers (2-4 teachers/school)
- ✓ Peer principal and teacher networks for shared problem-solving
- ✓ Actionable data tools to inform and improve classroom and building-level decision-making
- ✓ Watch student engagement and growth come alive before your eyes
- ✓ Principals earn 11.5 APLDS hours, Teachers earn 19.5 state approved hours. Cohort runs Oct–May.
