

INSPIRE – A Robert Noyce Teacher Scholarship Program

Graduate Fellowship Application

The College of Natural Science and Mathematics and the College of Education at the University of West Alabama have partnered with Beville State Community College and Coastal Alabama Community College to develop Project INSPIRE – Implementing Novel STEM Practices in Rural Education. INSPIRE is a Robert Noyce Teacher Scholarship Program. This program, offered through the National Science Foundation, is a response to the critical need for K-12 teachers in the areas of science, technology, engineering, and mathematics.

Email Address _____

Undergraduate Degree Degree _____

University/Date _____

Applicants must be STEM professionals or have completed an undergraduate degree in a STEM field.

In addition, applicants must provide:

1. Undergraduate transcripts. Photocopies are acceptable.
2. An essay, 300-500 words in length, discussing the applicant’s background, desire to pursue a STEM teaching career, and how INSPIRE support would assist them in their pursuit.
3. Three letters of reference addressing the applicant’s character and abilities. One preferably from a mathematics or science instructor.

Deliver all materials to Dr. John McCall at:

INSPIRE Fellowship Program
College of Natural Sciences and Mathematics
University of West Alabama Station 2
Livingston, AL 35470

Email submission is acceptable. Address email to:

jmccall@uwa.edu

For full consideration, applications must be received by March 18, 2022.
