

Nightingale Professionalism Award 2020

The Nightingale Professionalism Award was created to recognize a student who has excelled academically and demonstrated exceptional professionalism in the clinical area and in interpersonal relationships.

Criteria for this award are a minimum grade point average of 3.0 in the nursing major, exceptional evaluation by clinical staff during the preceptorship experience, and faculty recommendation regarding professionalism in relationships with faculty, peers and clinical agency personnel.

Class of 2020

**CONGRATULATIONS
RACHEL COOKE**

Nightingale Professionalism
Award

This award is presented to a graduate who has excelled academically and clinically. Rachel's behavior in clinicals and the classroom showed exceptional respect for the professional role of the nurse. Her positive attitude and determination to achieve was an inspiration to faculty and students.
