

# Accounting

UWA

College of Business  
and Technology

**Accounting is** a career choice in high demand due to the requirements related to the financial reporting for all types of businesses, government entities, and organizations. The accounting program at UWA prepares students to be successful in the workplace. An outstanding faculty and available extracurricular activities give students access to the tools they need to prosper. With the accounting major, the student prepares for specializations in corporate, tax, and auditing careers. The Certified Public Accountant (CPA), Certified Management Accountant (CMA), and other certifications are important goals for accounting majors to pursue upon graduation.
